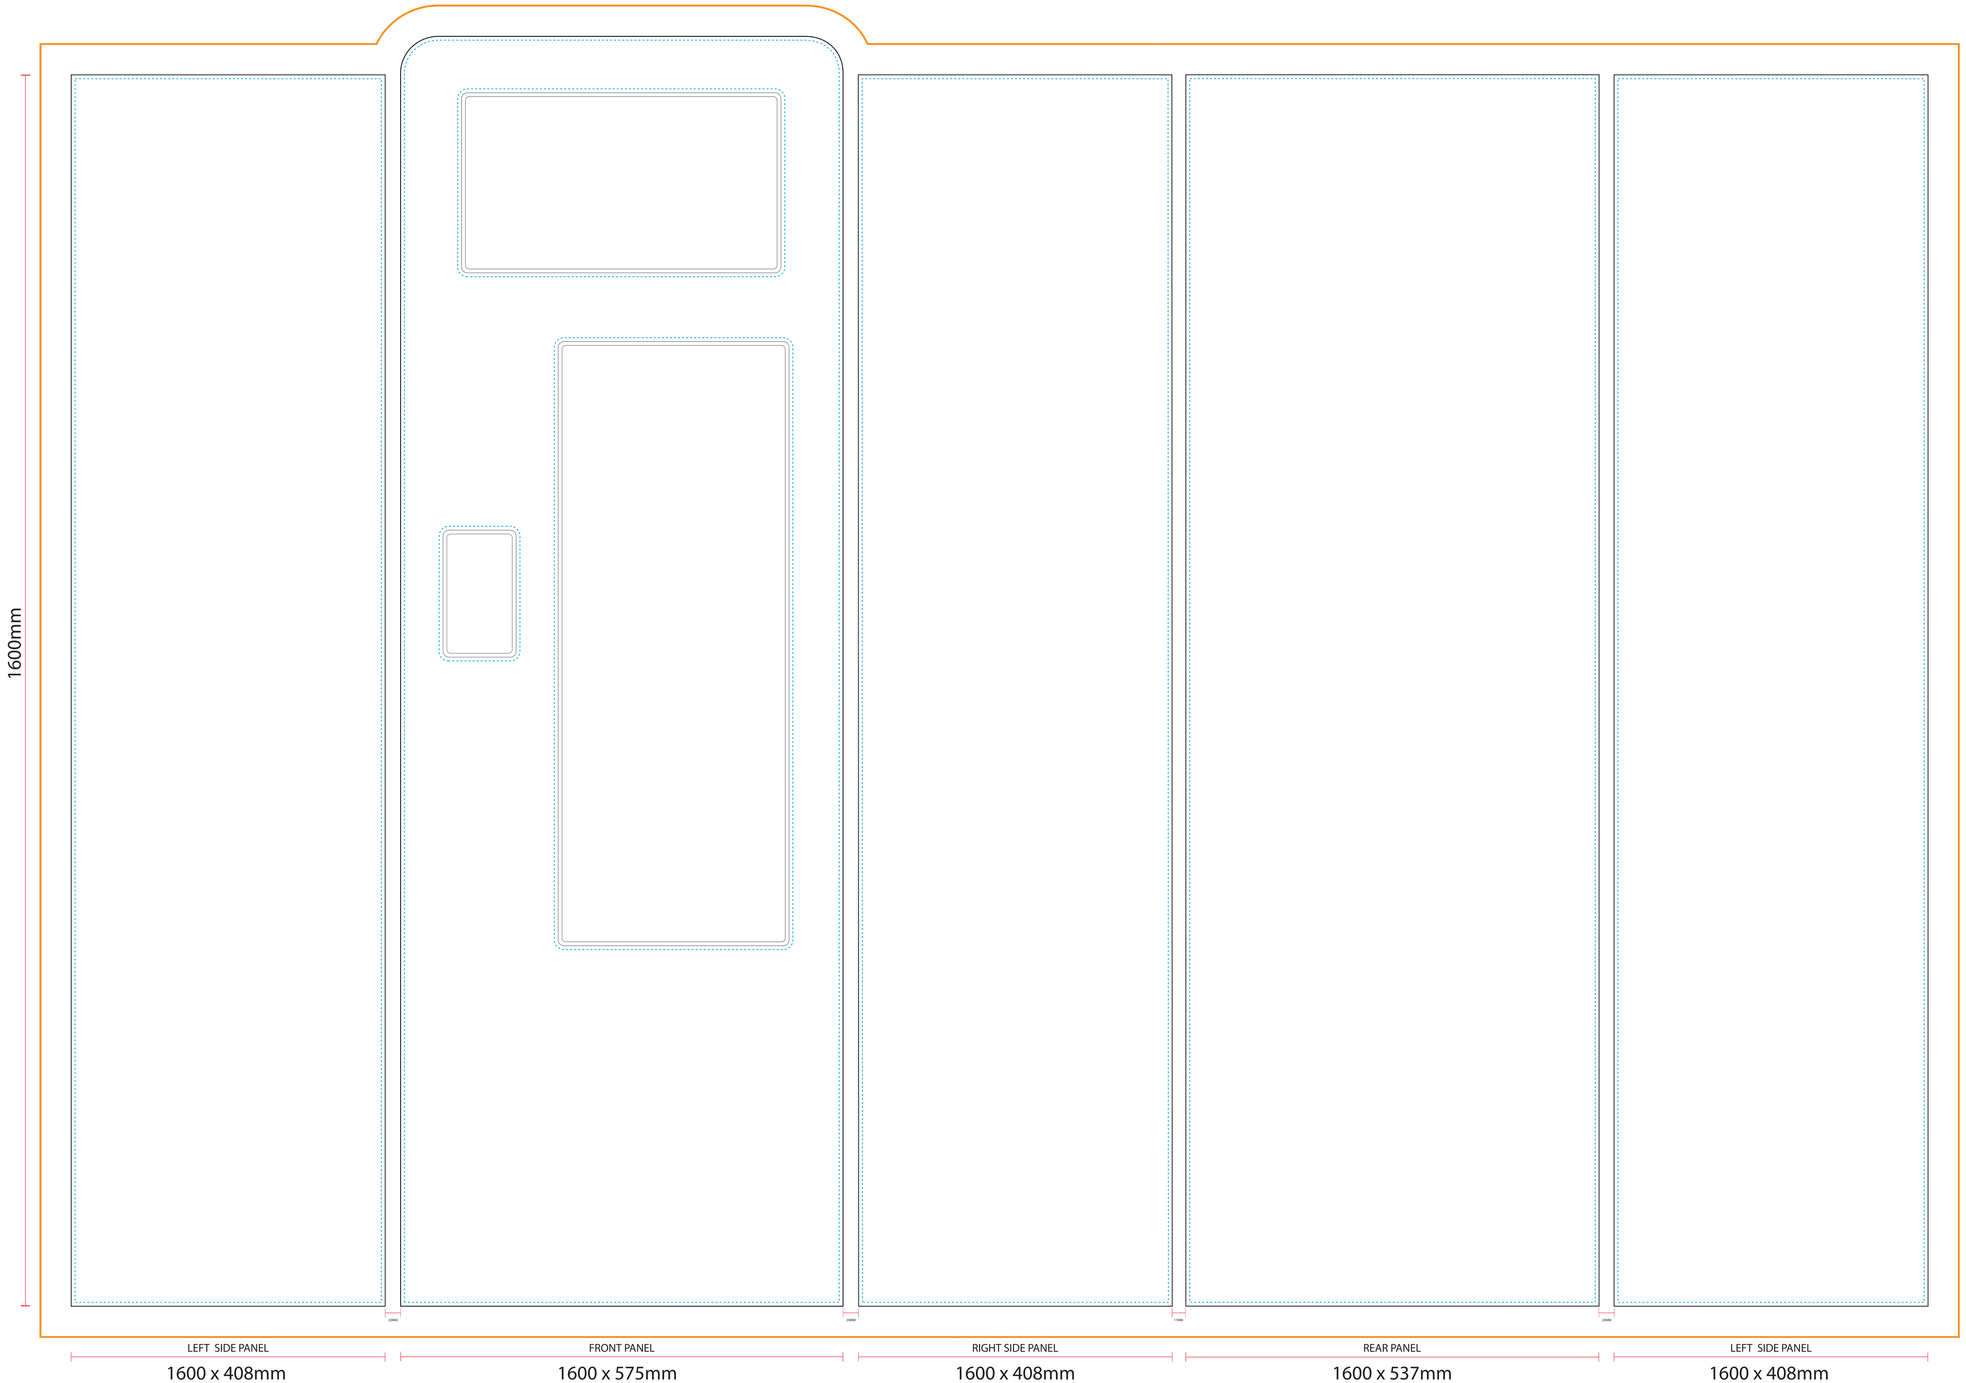
ChargeBox®

GEN3 MAX Vinyl Wrap Guidelines



Design guidelines

ChargeBox logo
A ChargeBox logo must be present on all panels

'Free charging'
Choose a free charging message that fits with your brand

Phone and tablet icons
Phone and tablet icons raise awareness that this station is able to charge larger devices
Remove these icons if your message or graphics already conveys this

Photographs & Graphics
Use the linked graphics placeholder file or import & place graphics and images as a CMYK image
Photographs should be 300dpi

Fonts
Please outline all fonts used in your artwork
(Please note: Once fonts have been outlined they are no longer editable)

File type
Please provide final wrap design as a pdf or illustrator file on a 1:1 scale for best results please use this template

KEY

- Visual area of the front of the panel
- Safe Area - No Important artwork past this line (Text/Photos)
- Bleed for the artwork
- Cutting path for the front panel
