Opportunity

- Provide free charging to consumers across 125 ChargeBox mobile device charging stations*
- The charging stations are 1.81 x 0.5 x 0.32m, opportunity to deliver a high impact, customisable vinyl wrap (more surface area than a 6 Sheet)
- Exclusive commercial ownership of the charging stations' 19 inch LCD display screen for OOH media content
- A truly national opportunity - access to 41 of the UK's largest and busiest shopping centres
- ChargeBox's partners are the UK's most prestigious shopping centre owners, including British Land, CBRE, Hammerson, Intu and Land Securities

* Exact number of charging stations to be confirmed

Find out more

It's your brand, your messaging and your promotions displayed on 125 charging stations spread across 41 of the UK's busiest shopping centres.

The offer could be further extended into other sectors, such as transport and healthcare, creating an opportunity to own public charging in the UK.
